

Long Lost Journey
(D. Chance – J. Folse)
© 2010

Version: 7/21/10

Vocals: LF = lead female vocal, LM = lead male vocal, H = harmony (all)

Verse 1

When I look back on all my time (LM)
I see what I've done wrong (LM)
I was looking but yet so blind (LM)
And now it's all long gone (LM)
I should have been his soul mate (LF)
It wasn't that I didn't try (LF)
And now it seems so awfully late (LF)
For me to grab just any guy (LF)

Chorus (after each verse)

It's been a long lost journey (H)
And I've messed up everything I've tried (LM)
It's been a constant journey (H)
And every day I lived I really died (LM)

2nd verse (L)

I lived my life one day at a time (LM)
I tried to take it all in (LM)
I broke a heart along the way (LM)
And left a messed up friend (LM)
The only one who told me no (LF)
Was that voice inside my mind (LF)
I didn't listen or I didn't care (LF)
Things were always going fine (LF)

Bridge (L)

They say time heals all your pain (LF)
But there's too little time and too much rain (LF)

3rd verse (L)

I'm on my way to a better time (LM/LF)
Seeking love inside my soul (LM/LF)
Although it might be a lonely climb (LM/LF)
The journey will make me whole (LM/LF)
So I'll forget about the rain (LM/LF)
I'll have no worries and no fears (LM/LF)
I'm immune to the pain (LM/LF)

And will embrace the years (LM/LF)

Chorus (twice) (L + H)
