Version: 7/17/10

Vocals: L = lead vocal, H = harmony

Verse 1 (all L)

I don't know what it's all about
Don't know just why you shut me out
But hear me one more time, there's something on my mind
Just give me a more chance to say

Chorus (L & H)

Pull me under, take me in
Cover me with your skin
Show your feelings, don't disappear
Pull me under take me in

Verse 2 (L)

Loving you makes me more complete
Like a fire that gives me heat
Alone I'm not the same, so please call my name
And give me a chance to say

(Chorus)

Bridge (L, H in ital)

Take my heart, *take my heart*
Make a start, *make a start*
To a new love
Don't ask me why, *don't ask me why*
Don't make me cry, *don't make me cry*
You're all I think of

Verse 3 (L)

But I'm gonna learn to stand on my /own
Create the fire inside my bones
Find a new pathway, and seek a better day
And not beg for a chance to say

(repeat chorus)

Coda (L)

You took me in, but then let you me go
At first I felt alone, But now I've /found a way to
Grow.....

(drums)

Chorus (L & H) – note different lyrics

Like a bird in the wind

Fly with me if you can

But if you see, you need to be free

I'll still make it in the end
